Green Dog / Single Dog Racing:

On Saturday we will be holding practice after racing is concluded. (No EJS.) We will also have a sign-up sheet at the tournament.

Parking:

IMPORTANT!!! Please do not block the other businesses and do not block any garage bay doors, especially during the work week. Big moving trucks need to be able to access to the garage door bays. There will be cones set out in the parking lot to mark where our area ends, please do not park past those cones.

Camping:

Dry camping available in the parking lot. If you are staying overnight OR just camping during the day, an RV Permit is required. There is NO FEE for this permit, but it will let the landlord and other tenants know that you are with us and not squatting on the property. :) Email Jen@RunFlyball.com and we will get you a permit and instructions on where to park.

Miscellaneous Notes:

The building has a swamp cooler, but please feel free to bring **fans** and **extension cords**.

Water is only available up front in the bathrooms in the brewery - please bring water jugs for dog water.

There is **crating space** inside the building for everyone but please pack light. MHV reserves the right to limit individual crating space.

X-Pens are NOT allowed on the matting. All **crates** must have a towel/tarp/blanket between them and the matting. (It's expensive flooring!) We do have some limited spots available for x-pens on the concrete. Please email me ASAP (Jen@RunFlyball.com) if you need x-pen space.

You are welcome to bring **chairs** but please remember to protect the matting!

We do have access to some tables, and should be able to give out one per team if needed.

Please remember that this is a shared warehouse and to respect other people's property!

Pottying: There are some grass/mulch areas/fields outside the building. Please be sure to pick up after your dog. Please keep your dog from peeing on the side of the building, or on any items that people have to pick up! Please clean up any accidents in the building immediately. There is a dumpster for poop on the side of the building.

Food/Drinks: Nighthawk Brewery now has a salad & pizza kitchen! Menu here: <http://www.nighthawkbrewery.com/kitchen-menu/>. Since Nighthawk Brewery now serves food, health code regulations state that **DOGS ARE NO LONGER ALLOWED** in the taproom or game room. Dogs are now limited to the back warehouse area.

You are welcome to bring your own food into the facility but you **MUST** keep crumbs/spills off the mats or we will not be able to allow this in the future. We are attached to a brewery and you can bring drinks from the brewery back into our space, however it is recommended you bring a non-spill cup. Please remember to bring any glasses back up to the brewery when you are finished with them. The brewery also has a game room and you are welcome to eat/drink there if you make a purchase at the bar.

Bathrooms: There are bathrooms on site, there are two in the brewery game room (middle room) and two at the front of the bar.
